

Joink Internet News!

We are now offering a referral program that will pay YOU money if you refer a friend or family member who qualifies and signs up for Joink High Speed Internet.

Simply have your friend call us at 888-315-6465 or email sales@joink.com with their name, address and phone number. They need to inform us that they were referred by YOU by name and phone number. If they qualify and get connected with Joink, then YOU receive \$15 off your next bill.

Yes! YOU + FRIEND = \$15

There is no limit on the number of referrals you can get in any given billing cycle, so tell your neighbors, friends and family about our Internet service!

Thank you for being a valued customer.
