

Special offer: for new customers who currently have high speed Internet from another provider.

Residential users:

Get 7mbps \$49.95 plan for \$34.95 for three months, plus a \$49 install fee. Save over \$95 standard pricing.

Business users:

Get 8mbps \$99.95 plan for \$49.95 for three months, plus a \$49 install fee. Save over \$200 standard pricing.

- The new customer must not have a past-due balance with Joink or currently subscribe to Joink high speed Internet.
- They must show their most recent high-speed internet bill from the competition.
- They must sign up for the home or business Premium package, whichever applies.
- Write in 3/mo special (rate) by the plan they are choosing on contract.
