Computer Setup

In addition to configuring the apartment for Internet connectivity, the tenant's computer must also be properly configured for Internet access. A properly installed and functioning Network Interface Card (NIC) is required as well as a TCP/IP protocol stack and web browser (Internet Explorer, Netscape, etc.). The undersigned affirms that they have the authority to enter a binding agreement. By signing, the Applicant affirms and agrees that this document entails a binding Contract by and between Joink L.L.C., and the Applicant. Billing for the service shall begin upon activation. In the event of a default, the undersigned shall be responsible for any fees, including but not limited to Attorney's fees and costs, incurred in the collection of any monies due for services rendered. This document entails the entire Contract and shall not be modified without the express written agreement of the Parties. This Contract shall be governed under the laws of the State of Indiana. Joink's Acceptable Use Policy may be viewed on the Internet at <http://www.joink.com/aup.asp> or a copy can be provided upon request.

I have read the above Contract and fully agree to its terms.
